Who is to receive the Securities?

You have two options, Transmission or Transfer.

Transmission: The transmission of securities is changing the name under which the securities are registered from the deceased's name into the name of the Executor/Administrator to be then distributed to the beneficiaries of the estate. Please complete the Estate Transmission Document.

Transfer: Securities can be transferred directly from the name of the deceased into the name of a beneficiary, beneficiaries or other persons. Please complete the Off Market Transfer Document.

Please note that if the Executor is also the beneficiary, the movement of securities from the deceased's name to the name of the beneficiary should be by way of TRANSFER and not Transmission.

Is the beneficiary a minor? We are unable to transfer securities to a minor. If a beneficiary is a minor, we require the full name and address of the parent/guardian. Please complete the Minor(s) Statement and Idemnity form.
