TERMS AND CONDITIONS

By signing this form, the person (or persons) specified in the Sale Authority ("Securityholder"):

1. acknowledges and warrants that they have full legal title to the ordinary securities specified overleaf, free from any encumbrance, mortgage, charge or lien;
2. acknowledges that if the Securityholder's holding has changed since the date of this authority, **ALL** of the Securityholder's securities (as at the date this Authority is processed) will be sold under this facility;
3. appoints Pacific Custodians Pty Limited ("Pacific Custodians"), as its agent, and authorises and directs Pacific Custodians, to instruct a Broker to sell the securities on-market on the Australian Securities Exchange (ASX), in accordance with these Terms and Conditions, and to execute all documents and do all acts and things necessary for the preparation and sale of such securities through this facility. The Securityholder acknowledges that Pacific Custodians may aggregate sell orders from other Securityholders into a combined sale batch with the Securityholder's order and arrange the sale of the combined sale batch together as a single parcel or multiple parcels;
4. agrees that the securities may be sold at any time within 8 business days from the receipt of this authority, provided all documents have been assessed by us as properly executed and complete, including any AML/KYC requirements;
5. agrees that the sale price of the securities will be the market price of the securities, determined by the volume weighted average sale price achieved by the Broker for the sale batch sold by the Broker under this facility on the day(s) in which the Securityholder's securities are sold. The market price may be different to the closing price appearing in the newspaper or quoted by the ASX on the day that the securities are sold. **Neither Pacific Custodians, the broker nor the Issuer will be liable for the securities not being sold at a specific price;**
6. agrees that the net sale proceeds of the securities (less facilitation fee of 0.99% with a minimum of $99.00 inclusive of GST), will be paid in Australian dollars into the Securityholder's Australian bank account nominated account within 7 business days of the sale batch being sold on the ASX. For Securityholders based overseas, the net sale proceeds of the securities will be paid in the Securityholder's local currency via an International Money Transfer (IMT) into the Securityholder foreign bank account nominated on the International Money Transfer/Cross Border Wire Transfer form within 9 business days of the sale batch being sold on the ASX. The Securityholder will not be liable to pay any brokerage or fees for the sale of their shares other than the abovementioned fee payable to Pacific Custodians. Please note, the Securityholder's overseas bank may deduct fees from the net proceeds before crediting the payment into their bank account, and this can result in the Securityholder receiving a lower amount than expected. We cannot control or refund any fees of this nature that are incurred;
7. agrees that the sale is subject to, and that the Securityholder is bound by, the Constitution, rules, regulations, customs and usages of ASX;
8. agrees that the Securityholder cannot withdraw or revoke their authority to have their securities sold once this Sale Authority form is received by Pacific Custodians;
9. agrees that Pacific Custodians is under no obligation to accept any Sale Authority form, whether completed correctly or not, and Pacific Custodians has no liability to the Securityholder other than for the payment of any net sale proceeds determined and payable on the terms set out above (in particular neither, Pacific Custodians nor the Issuer will be liable for any direct or indirect loss arising as a consequence of Pacific Custodians not acting on a Sale Authority or not acting on a Sale Authority at any particular time);
10. agrees that if bank account details are provided in this authority, payment of the proceeds will be made by direct credit into that bank account regardless of whether either of the payment options boxes have been ticked;
11. agrees to provide Pacific Custodians with a copy of the Securityholder's recent bank statement (balance and transaction details redacted), if requested, to confirm their bank account details;
12. agrees that if Pacific Custodians is required to hold the net sale proceeds for a period of time, (in the event of the Electronic direct credit details not being correct or other similar circumstances outside Pacific Custodians' control), no interest will be paid, nor will Pacific Custodians be responsible for a repurchase of the securities;
13. acknowledges that neither Pacific Custodians nor the Issuer has given the Securityholder any investment advice or made any securities recommendations relating to the sale of the securities;
14. acknowledges that the Securityholder has received the Pacific Custodians Financial Services Guide which was sent to the Securityholder with this Sale Authority; and
15. agrees that if the Securityholder constitutes more than one person these terms and conditions bind them jointly and severally.

How to complete the AML/CTF
Investor Identification Information Form

KYC Requirements for Requesting a Sale of Securities via Email

Only for Australian or New Zealand Companies with beneficial owners and controlling persons holding Australian and/or New Zealand Government Issued Identification

In accordance with the Australian *'Anti Money Laundering and Counter Terrorism Financing Act 2006 (*Cth*)',* organisations that provide specified financial services must carry out identification procedures commonly known as 'Know your Customer' or KYC to verify the identity of the customer. Company customers requesting to sell securities will be asked to provide personal information about the beneficial owners and controlling persons that can be verified electronically from the originating document issuer.

This form can only be used if you request a sale of securities via email for a company **without** an authorised representative. This is because we must collect originally certified documents about the authorising document appointing an attorney. Please reach out to discover how you can request to sell securities using conventional mailing of forms and identity documents if you are not an Australian or New Zealand registered Company.

What do you need to do?

1. Complete by typing it or handwriting in blue or black pen ink. Do not use correction fluid/tape or pencil. Please initial all corrections. This form is interactive and can be completed on your computer. Once complete, append your electronic signature/s and save. You will need to send the completed form with your completed share sale authority form at the beginning of this document pack.
2. Complete the eVerification section on page 9 to consent to verification of your identity directly from the document issuer. To request a sale of securities via email, individual beneficial owners and controlling persons must have valid Australian and/or New Zealand government issued identity documents such as a driver's licence or passport.

   Note: Australian passports must not be expired more than 2 years; whereas New Zealand passports must not be expired.

Identification documents and eVerification (electronic verification of identity)

Pacific Custodians will verify the identity of individual beneficial owners and controlling persons electronically using government issued identity documents such as but not limited to passports and driver's licences. If you are unable to provide the requested identity data sources, please contact us for a list of alternatives that we can accept via a postal channel.

Identification sources – you may choose one (1) source each from group 1 and group 2 OR you may choose two (2) sources from group 1. We are unable to accept only group 2 sources for eVerification.

Document number means the registration number of the document. This will typically be the driver's licence number, passport number, Medicare card number or birth certificate registration number etc.

QUESTIONS	ANSWERS
What remuneration (including commission) or other benefits, are attributable to the provision of the authorised services?	Pacific Custodians and MUFG Corporate Markets (AU) Limited are remunerated for the financial services provided to you, either directly through the fees charged to you, or indirectly through the fees charged to service providers for providing financial services in relation to their financial products. **Security sale and acquisition services** We charge a fee of 0.99% (inc GST) of the sale value with a minimum of $99.00 (inc GST) to facilitate the sale of securities at the request of individuals. Amounts payable by the security holder may vary depending on the extent to which the company whose securities are being sold subsidises any applicable fees. For a security sale, the fees will be deducted from the proceeds of the sale prior to distribution to the beneficiary. For a security acquisition, the fees will be in addition to funds required to complete the acquisition of the securities. Proceeds from the sale of securities are held in client segregated accounts prior to distribution to beneficiaries. Pacific Custodians will be entitled to retain any interest that is earned on monies held in those accounts. **Employee share and option scheme services** Pacific Custodians receives remuneration for acting as trustee and custodian of employee share and option schemes (including ancillary custodial services such as the issue of any new shares under a corporate action or dividend reinvestment scheme). This remuneration is determined by agreement with, and payable by, the issuer of the securities. Generally, no fees or commissions are payable directly by employees entitled to securities or options under a scheme managed by us. If there is a direct fee payable by the employee, it will be set out in the scheme documents provided to employees. We receive fees for administrative services that we provide in connection with employee share and option schemes, as well as facilitating sales in connection with these schemes. The fees that we receive vary depending on a number of factors. The exact remuneration for any one transaction is not able to be ascertained at the time this FSG is given. But generally, we may receive a flat rate administration fee and/or a fee based on a percentage of the value of each transaction for the exercise of an option and/or share sale. You may request the particulars of the remuneration or other benefits for any particular service that we will provide, but that request must be made within a reasonable time after you are given this FSG and in any event, before any financial service is provided. Where we facilitate a transaction, a brokerage fee is charged which may marginally exceed our negotiated cost with the broker. No additional remuneration is paid, or benefit provided to: • the employer of the providing entity; • the authorising licensee; • an employee or director of the authorising licensee (other than normal wages and salary of employees); • associate(s) of any of the above; or • any other person.
