Information

In order to be effective, the form must be received by MUFG Corporate Markets (AU) Limited within the time limit (if any) specified in the relevant company's constitution for receipt of Corporate Representative Appointments. You should check the time requirements with the company holding the meeting. The original of this form will be retained by the company.

A body corporate may appoint an individual as a representative to exercise all or any of the powers the body corporate may exercise at meetings of a company's members, creditors or debenture holders. The appointment may be by reference to a position held provided that the appointment identifies the position.

The appointment must be executed in accordance with the body corporate's constitution and (if applicable) section 127 of the *Corporations Act 2001*. An appointment may be a standing one, which will continue until revoked. A permanent register of such appointments is maintained and so it is not necessary to evidence the appointment at each meeting.

If more than one representative is appointed, only one representative may exercise the body corporate's powers at any one time.
